NOMINEE EXPERIENCE

Conservation Project: Detail nominee's years dedicated to this conservation cause, the role they play in the project, as well as highlighting nominee's most notable accomplishment(s) for this project. List any education components of the project (e.g. public dissemination, presentation, etc.).

Briefly describe the long-term impact and possibilities of this conservation project.

Detail the nominee's involvement with AAZK at the chapter or national level, including how long the nominee has been involved, positions the nominee has held and nominee achievements or projects within AAZK.

List any other extracurricular conservation projects the nominee has created, promoted or participated in that illustrate dedication to the stewardship of the natural world.
